Dear Parent/Carer

GCSE Information Evening: Year 10

As your son/ daughter embarks on their GCSE studies, I would like to invite you to attend the first in a series of events aimed at maximising the home/ school partnership and in turn every students' success. The GCSE Information Evening will take place in the New Hall this coming Thursday 14 September 2017 at 6 - 7.30 pm.

The purpose of the evening is to provide parents/ carers with key information regarding the newly reformed GCSEs. Additionally, the event will commence with presentations explaining: the rigorous assessment systems in place at Ixworth Free School to ensure that all students have aspirational target grades; how student progress is effectively monitored; how we can work together to best support students pastorally during this time.

Parents/ carers and students will have the opportunity to meet with GCSE subject teachers who will be able to answer subject specific questions regarding curriculum content, assessments and study support materials.

If you have any questions about the above event or any aspect of your son/ daughter's school experience, please contact their Tutors in the first instance.

I very much look forward to meeting with you this Thursday evening.

Yours sincerely,

Mrs P. Parker
Head of Upper School
