Dear Sir or Madam:

I am writing to you on behalf of The Friends of Ixworth Free School. In September 2014 Ixworth Free School opened and provides secondary education for children between the ages of 11 – 16. The schools goal is to ensure that all students within its community fulfil their academic potential, by providing them with rigour and challenge in their learning experiences, in an environment that is student-centred and stimulating.

After a very festive and successful Christmas Fayre last year we are currently planning our fourth Christmas Fayre, which is set to take place on 30th of November 2017, between 6pm to 8pm. We are hoping the Fayre will be a celebration of the schools fourth year not only for the students and families but for the local community too.

Money raised at the event will be used to buy items for the students to use in the school.

If you are able to help us attain this end by donating a raffle prize we would be most grateful. Please send donation direct to the school at the address above. If you require any more information please do not hesitate to contact me via the school address or email kaseyaustin1967@gmail.com.

Thank you in advance and best wishes from The Friends of Ixworth Free School.

Yours faithfully

Kasey Austin
