

5th September 2017

Dear Parents and Carers,

Welcome to Ixworth Free School.

The Friends of Ixworth Free School group was set up three years ago when the school opened and its primary objective is to provide social events at school and raise extra funds to enhance the students' school experience.

During this time we have provided books for the library, ecology equipment for the science department, all the lighting on the stage, benches outside for the students to use during their break times, tennis and volley ball nets and a subscription to Lingascope to support modern foreign language (MFL) development. We also run a 100 Club and the Secondhand Uniform shop.

Our activities would not be possible without parental support, either by coming to meetings and sharing ideas, helping out at our events, or just attending and supporting our events

I would like to take this opportunity to invite you to our AGM which will be 13th September at 6.30pm at school. I understand that not everyone wants to or can commit to coming to meetings but if you would like to get involved with the Friends in some way please do get in touch. You can contact me via the school office or email me direct at Catherine_walsh@hotmail.com.

Yours faithfully

Catherine Walsh

Chair Friends of Ixworth Free School
