6 December 2017

Dear Parents / Carers,

### **Year 11 Progress Evening**

At Ixworth Free School, we believe that communication between school and home is imperative in ensuring your child's success at school. Co-operation is one of the "6Cs to Success" which underpin the ethos of all Free Schools in the Seckford Foundation Free Schools Trust. As such we aim to build effective relationships with the parents / carers of our students in order to ensure achievement and progress.

Further to the website information and Parent mail communication last week, I write to invite you to the Year 11 Progress Evening for your son / daughter.

This will take place on Wednesday 13 December at 4.30pm – 7.00pm.

Subject teachers will be available at the evening to discuss mock examination results, progress, targets and answer any questions you may have about how you might support your son / daughter with their education.

A booking form will be given to your son / daughter for them to make appointments with key members of staff. Please make sure that your son / daughter knows the times between which they should be making appointments and the teachers with which you wish to speak.

These evenings are an extremely important part of the dialogue between parents / carers and teachers which allow us to continue to ensure we are *'providing a foundation for life'* for your son / daughter. I look forward to seeing you at the event.

Yours sincerely

Mrs P Parker  
**Head of Upper School**
