Dear Parent/Carer

Easter Revision Sessions

As part of our ongoing challenge and support interventions, the school has put together a programme of Easter revision sessions. The idea of the programme is to provide examination question strategies, guidance and support in key areas and subject specific topics. Subject teachers will liaise with students regarding which specific sessions they may need to attend. In addition to the subject sessions detailed, a study space will be provided throughout the week of Monday 9 – Friday 13 April for students to revise independently.

Students do not need to wear uniform; however, they will need to bring their own refreshments/packed lunch if they are staying for the whole day as this will not be provided by the school. Students will be expected to remain on school site in between sessions if they are attending more than one session.

In order that staff can prepare the necessary resources, I would appreciate parent/ carers completing and returning the attached reply slip indicating the sessions your child is planning to attend.

I wish you and the family a good Easter vacation when it arrives.

Yours sincerely

Mrs P. Parker
Head of Upper School
